

DEMPSEY ON SCALE; WEIGHS 201 POUNDS

Challenger's Poundage a Surprise to Willard's Followers and Manager Jack Kearns.

WILL MAKE 195 JULY 4TH

Willard Works 11 Three-Minute Rounds in Speedy Fashion—New Partners in Camp.

DETROIT, Ohio, June 17.—Jack Dempsey, matched to meet Jim Willard for the heavyweight championship July 4, gave his admirers their biggest surprise today when he weighed himself on set of scales and tipped the beam at exactly 201 pounds. Dempsey was glad only to be returning suit and boxing gloves which weighed about a pound. The weighing was done publicly after a meeting at the challengers' camp arranged by Tex Hickard, promoter of the contest. Mayor Schermerhorn, E. Wall, director of public safety, numerous sporting celebrities, newspaper men. Even Jack Kearns, manager of the challengers, looked astonished when the beam passed over the 200 mark. He announced yesterday Dempsey would weigh about 200 pounds.

NOT AFFECTED BY WORK.

The challenger's poundage was considerably of a surprise to members of Willard's camp who said that Dempsey had worked harder than a working man would likely turn him out and send him into the ring against the champion in the lightest weight class or around 180 pounds.

Dempsey appeared to be in perfect condition when he jumped on the scales. There was not an ounce of surplus flesh on his body, while he was turned to a copper color as a result of weeks of exposure to the sun.

Joe Chip Johns Jess.

Willard boxed 11 three-minute rounds today, one short of the distance he will have to travel if he wants to go the limit in the fourth of July engagement. Joe Chip, a middleweight of Newcastle, Pa., a brother of George Chip, once middleweight champion, joined Willard's staff of sparring partners today and furnished the champion with the most interesting workout of the afternoon.

Willard boxed three rounds with Jack Hempel, two with Eddie, three with Jack Helmets, and three with Walter Monahan. He used 15-minute rounds instead of 10-minute ones to save his sparring partners, who are gettinguffed lips and brains as a result of the mauling they received yesterday.

BECKETT RETAINS HEAVY TITLE OF GREAT BRITAIN

LONDON, June 17.—Joe Beckett retained his title to the heavyweight championship of Great Britain by knocking out Frank Goddard in the second round of what was to have been a 20-round match at the Olympia end tonight. The purse was £1,000.

Several thousand persons saw the fight, among the number being Captain John Alcock and Lieutenant Arthur W. Brown and Vice Admiral Beatty.

Final inter-sectional series are started in the major leagues today, though during the games to date will undoubtedly have an important bearing on the final results. With the season well under way now, several clubs have exhibited great strength and others have been found wanting.

The Indians showed a solid lack of reserve power and a weak defense. Their usually good defense also has wavered, which resulted in the over-the-hedge going dropping to 10 ball, and the Indians have been as bad as the Indians. The Indians were not encountering the Giants when the Indians defense crumbled under the smashing attack of the Metropolitans.

The Indians, Reds and Pirates have exhibited more strength in bats than in fielding, though the Indians have been the best in the league thus far. The Indians have maintained their dazzling attack, while the Indians have been the best in the league thus far. The Indians have maintained their dazzling attack, while the Indians have been the best in the league thus far.

American League clubs have not shown the kind of superiority which was expected, especially in National. The Red Sox and White Sox broke even in both series, but the Indians seem to present a better rounded club. The Indians managed to share only two games of the four with the Griffins, but have beaten the Red Sox. The Yankees have won a hard proportion when they played the Browns, but lost to the Indians, who were formidable. The Indians aren't a pennant-winning club, but the Irish leaders have injected a great amount of pep and dash into the club which tells the story of his success with only mediocre material.

BOY BORN TO MAXWELL.
Mr. and Mrs. Harry Maxwell, 126 N. 18th Street, recently announced the birth Tuesday of a boy. The boy has been named Harry Maxwell, as Mr. Maxwell is well known in newspaper circles in Tulsa, having been at one time in the newspaper business. While in Washington Maxwell was private secretary to Bird S. Maxwell during his term as congressman.

Maxwell is now in the legal department of the Carter Oil company.

Sioux City Protest of Decoration Day Game Is Allowed

KANSAS CITY, June 17.—Des Moines, to keep the same limit where it is, has put in to increase the player limit from 14 to 15, was reached at a meeting of the Western league managers here today. Both questions occasioned considerable discussion.

Sioux City's protest of the two games played with Des Moines on Memorial day on the ground that Des Moines had suspended a player in the lineup in each game was heard at length and President A. L. Tammie upheld Sioux City. The two games were to be played later. The Indians, O. C. W. Dickerson, former president of the league, for three years back salary was denied. It is expected the claim will go to the national commission, if not to arbitration, for final decision.

All the clubs of the league were represented at the meeting.

Arrangements were ordered made for a post-season series between the pennant winners and the runner-up for the cup to be given to Charles W. Morris of Chicago. The game is to be staged in the cities of the two contestants, and are to continue until one team has won five games.
